### UPCOMING EVENTS

#### Industrial Speaker Series | Dr. Mark Holtzapple

Monday, October 17<sup>th</sup> 6:00pm-7:30pm

JEB 108

Addressing global warming is the technical challenge of the 21<sup>st</sup> century, yet this topic is mired in controversy. Is global warming occurring? Does human activity cause it? Can we do anything about it? This presentation will address these topics in a manner that is suitable for a technically literate audience.

RSVP: <https://goo.gl/UrpS1b>

#### SEC Soccer Tournament

Friday, October 21<sup>st</sup> 4:00pm

Penberthy Soccer Fields

Come support ChEGSA and AIChE as they take on other university societies!

#### ChEGSA and AIChE Joint Tailgate

Saturday, October 29<sup>th</sup> 2016

Support TAMU in the game vs New Mexico State with fellow chemical engineering students (both undergraduate and graduate students)!

#### Halloween Study Break

Monday, October 31<sup>st</sup>

JEB 440

Come celebrate Halloween with your fellow grad students and enjoy some yummy candy!

### RECENT NEWS

ChEGSA partnered with T-Cubed to engage chemical engineering graduate students with different board games on a Friday night.

### RESEARCH SPOTLIGHT

We are currently looking for graduate students to highlight on his/her research. If you're interested in being featured in the ChEGSA newsletter, please fill out the following form. If you are selected for the next newsletter, you will be contacted via email.

## DEADLINES

*Wednesday, October 26<sup>th</sup>*

*Friday, October 28<sup>th</sup> 11:59pm*

## DEPARTMENTAL NEWS

Photo credit to Texas A&M Chemical Engineering

**Lindsay Lecture Series | Dr. Michael Ladisch**

*Wednesday, October 19<sup>th</sup> 3:00pm-4:00pm*

*JEB 106*

Dr. Ladisch from Purdue University will be speaking on "Enzyme Hydrolysis of Lignocellulosic Substrates Effects of Liquid Hot Water Pretreatment and Lignin Derived Inhibitors"

## UNIVERSITY EVENTS

**WIMS Presents: Women of Discovery**

*Tuesday, October 18<sup>th</sup> 6:30pm-8:30pm*

*MEOB 501*

Come hear about women who made great discoveries in materials science and participate in demos! Free food provided!

**2<sup>nd</sup> Annual Faculty and Student Sweet Meet and Greet**

*Thursday, October 20<sup>th</sup> 6:00pm*

*MEOB 301*

Hear directly from distinguished Faculty from across the College of Engineering and discover more about their path to excellence.

Learn how to draft a successful NSF Fellowship application from a reviewer and about 4+1 programs with the Mays Business School.

Eat refreshments while you network with faculty and students from all departments and further collaboration in interdisciplinary research.

## GRADUATE AND PROFESSIONAL STUDENT CAREER CENTER RESOURCES

Graduate School walk-in advising is every Monday & Friday from 8:30-11am & every Wednesday from 1:30-4pm! Stop by 209 Koldus with your printed resume or quick, general questions!

**Contact: Dr. Katie Stober**

**979-845-5139 | [kstober@tamu.edu](mailto:kstober@tamu.edu)**
